

Memorandum

International Resistive Company

To: All Customers

From: Rudy Munoz
Quality Manager

Date: January 26, 2012

Subject: REACH – Substances of Very High Concern (SVHC): Annex XV Proposal for ID; as defined in Article 57 of Regulation (EC) No. 1907/2006. Candidate List: 73 items, updated December 19, 2011

IRC-TT Electronics at its Advanced Film and Wirewound Film Technologies Divisions hereby confirm that they have assessed all their products and processes and determined that none of the REACH Substances of Very High Concern (SVHC) as detailed below are contained in product being shipped out of these facilities.

Substances of Very High Concern are described in a list published by the European Chemicals Agency, and can be found at their website at <http://echa.europa.eu/web/guest/candidate-list-table> .

If you have a question regarding the aforementioned, please contact the following:

Rudy Munoz
Advanced Film Division
